Memphis Blast Minor Pro Football

The Memphis Blast have just released a brand new fundraising opportunity for sports teams, charities and general causes. This exciting program enables your organization, team or charity to raise money at a faster rate. Don't waste time on collecting bottles, selling chocolate bars or working bingo. Team up with the Blast organization and make your fundraising drive successful.

How it works:

Your organization/team will be issued game vouchers. These vouchers are sold for \$25.00 each. The game voucher is good for all regular season home games (games are played from May to August). People who purchase these vouchers and trade them in will enjoy a Season Ticket Pass for all home games (a value of \$70.00). These vouchers are provided specifically for your team, which allows people to know that they have supported your cause, sports program or organization. The great thing about this program is that there are no start-up costs and the potential to raise money is endless.

Why it benefits you:

Your team will be given \$10.00 from every voucher that you sell. This allows you the opportunity to meet your fundraising goals, quickly and easily.
Ex. If you sell 100 vouchers @ 25.00 = \$2500.00

You pay the Blast \$2500.00 for the vouchers and *we will write you a check for \$1000.00.*

Additional information:

The will also provide exciting incentives/prizes for your individual top sellers. This could also be used as a great team building activity! Come enjoy a great game, in a great stadium, all while raising money for your team, organization or cause.
